WORK EXPERIENCE

Texas State University

Present

Student Manager

- Maintain detailed and organized stat sheets and databases for team use, scouting, and NCAA reporting. Collaborated with coaching staff, analysts, and media personnel to ensure timely and precise stat delivery before, during, and after games.
- Ensure players have everything they need for practice and games, including uniforms, equipment, and personal items.
- Act as a point of contact between the coaching staff, players, and front office, relaying messages and ensuring smooth communication.
- Ensure that all team uniforms, practice gear, and personal player items are properly washed, repaired, and ready for use. Foster a positive, inclusive environment in the clubhouse, ensuring it remains a supportive space for players and staff to focus on performance.

Seguin River Monsters

Operations Manager

- Oversaw day-to-day baseball operations including team travel, equipment logistics, and stadium readiness, ensuring smooth execution of all games.
- Coordinated scheduling and communication between coaching staff, front office, and league officials, streamlining operations.
- Acted as primary liaison for visiting teams and umpires, handling logistics and ensuring hospitality standards were met.
- Collaborated with grounds crew, marketing, and facilities teams to prepare the stadium for events
- Implemented advanced inventory tracking systems for uniforms and equipment, reducing loss and improving accountability across all departments.

Northwoods League

SUMMER 2024

Bismarck Larks Summer Intern

- Took on many different roles during my time with the team including entertainment, stadium/player operations, promotions, and media.
- Efficiently managed inventory and distribution of equipment and uniforms for the Bismarck Larks, ensuring timely availability and adherence to league standards.
- Analyzed game statistics and performance metrics to support coaching staff.

Texas State University Club Hockey

2022 -2024

Executive Board Member

- Developed the organizations budget, schedule, travel accommodations player/coach recruitment.
- Collaborated with coaching staff and fellow board members to plan fundraising events, merchandise design/sales, and marketing our team through public events and social media initiatives. .
